(Genesis 7:11, Jubilees 5:23) - Noah entered the Ark. Masoretic texts says the Flood began on the 2nd Month, Day 17, but the Septuagint says that the Flood began on the 27th. 27th is correct because Jubilees 5:29 says that the floodgates closed 40 days later in the 4th month. If the Floodgates opened on Month 2, Day 17, then 40 days later would leave you in the 3rd month. But 40 days after Month 2, Day 27 puts you in the 4th Month.

On this day, YAHUAH tells us that we will be His "Special People" if we accept His Covenant. We accepted... 3 Days later, YAHUAH spoke the 10 Words and we accepted.
